About Us

ELV System Integrator

“Your Security, Our Expertise”

Founded in 2004, Techno I has consistently built a remarkable reputation for delivering top-notch Technical Services and Trainings. Our unwavering commitment to excellence is evident through our utilization of best practices, drawing from global expertise, and embracing a proactive approach to continuous improvement. We pride ourselves on our global reach, bolstered by a highly skilled and experienced team, offering a diverse array of high-quality training and services. Our equipment selection prioritizes ease of installation and maintenance, while meticulous design, rigorous testing, and stringent quality control measures ensure that our systems not only meet but exceed the specified parameters.

Our Expertise:

- ▶ **Innovative Design**
- ▶ **Reliable Supply**
- ▶ **Precise Installation and Commissioning**
- ▶ **AMC (Annual Maintenance Contract) Services**
